Kids Club strives to be a place where all children feel welcomed and safe. Each day will consist of structured periods of free play and small group activities designed to introduce a wide variety of activities and interests.

Our goals are to encourage each and every camper to:

- Laugh with their new and current friends
- Develop new skills and enhance those that they already have
- Expand on their horizons and seek out new experiences
- Create memories that will last a lifetime
- Appreciate their surroundings and a desire to preserve the environment
- Grow in self respect and self confidence

We realize that a successful experience relies on a mutually beneficial relationship between caregivers, staff, and students. KidsClub is committed to an open door policy where we will respect and value all who walk through our doors. We encourage you to share any information that will help us help your child be successful on this adventure.

This Program follows the MSAD 15 school calendar and is closed during most holidays. Kids Club is open to care during early releases, and February and April Vacation. A calendar is provided on Page 3.
